

**< Repair Charge Table >**

- The repair charges consist of 2-charges as follows:  
[Standard Charge (including the basic examination)] + [spare parts]
- Even though LINEEYE cannot repeat your problems, you need to pay for the basic examination (12,000 yen).
- Costs in the repair charge table and the actual quotation can be different.
- All shipping charges/ handling charge for bank transfer & custom, VAT are at your own expense.
